

## ENTRY CONFIRMATION

Dear participants,

We are very pleased to confirm receipt and acceptance of your entry for the 36th LKW FRIENDS on the road JÄNNERRALLYE powered by Wimberger.

You can find your allocated start number online from the evening of December 21, 2022 here: <https://www.jaennerrallye.at/2023/nennliste.html>

The start numbers were assigned to the best of our knowledge and belief and taking into account previous results. Requests for reordering must be submitted in writing at the time of administrative scrutineering with appropriate justification. If necessary, the Clerk of the Course will make adjustments to the starting order.

### Roadbook Issuing

Roadbooks will be provided at **Messehalle Freistadt am Infostand in der Halle 1, Am Stieranger 10, 4240 Freistadt** in the following times:

**Tuesday, 03.01.2023 from 08:00 until 11:00**

**Wednesday, 04.01.2023 from 08:00 until 11:00**

The registration number of the vehicle must be provided when the road book is issued. If the entry fee is not received in the organizer's bank account by the deadline, no road book can be issued.

At the Roadbook Issuing you will receive:

- Roadbook
- Sticker for Recce car

### Recce

Times for Recce of all stages and Shakedown:

**Tuesday, 03.01.2023 from 08:00 until 18:00**

**Wednesday, 04.01.2023 from 08:00 until 18:00**

Each special stage may be driven a **maximum of 3 times**. Checks are carried out on selected special tests. The regulations according to Art. 35 of the current AMF Rallye Sporting Regulations apply. We plan to organize the Jännerrallye again in the years to come. We therefore ask you to adhere to the speed limits during the recce and to not to leave a negative impression – both on the special stages and connecting stages. **Please note that not all residents and landowners are rally fans and even a single incident can become a problem for future permits.**

## Servicepark

The service point is located on the exhibition grounds around the **Freistadt exhibition hall, Am Stieranger 10, 4240 Freistadt** and on the paved part of the ÖTB site opposite the hotel construction site and at Stifterplatz (bus station).

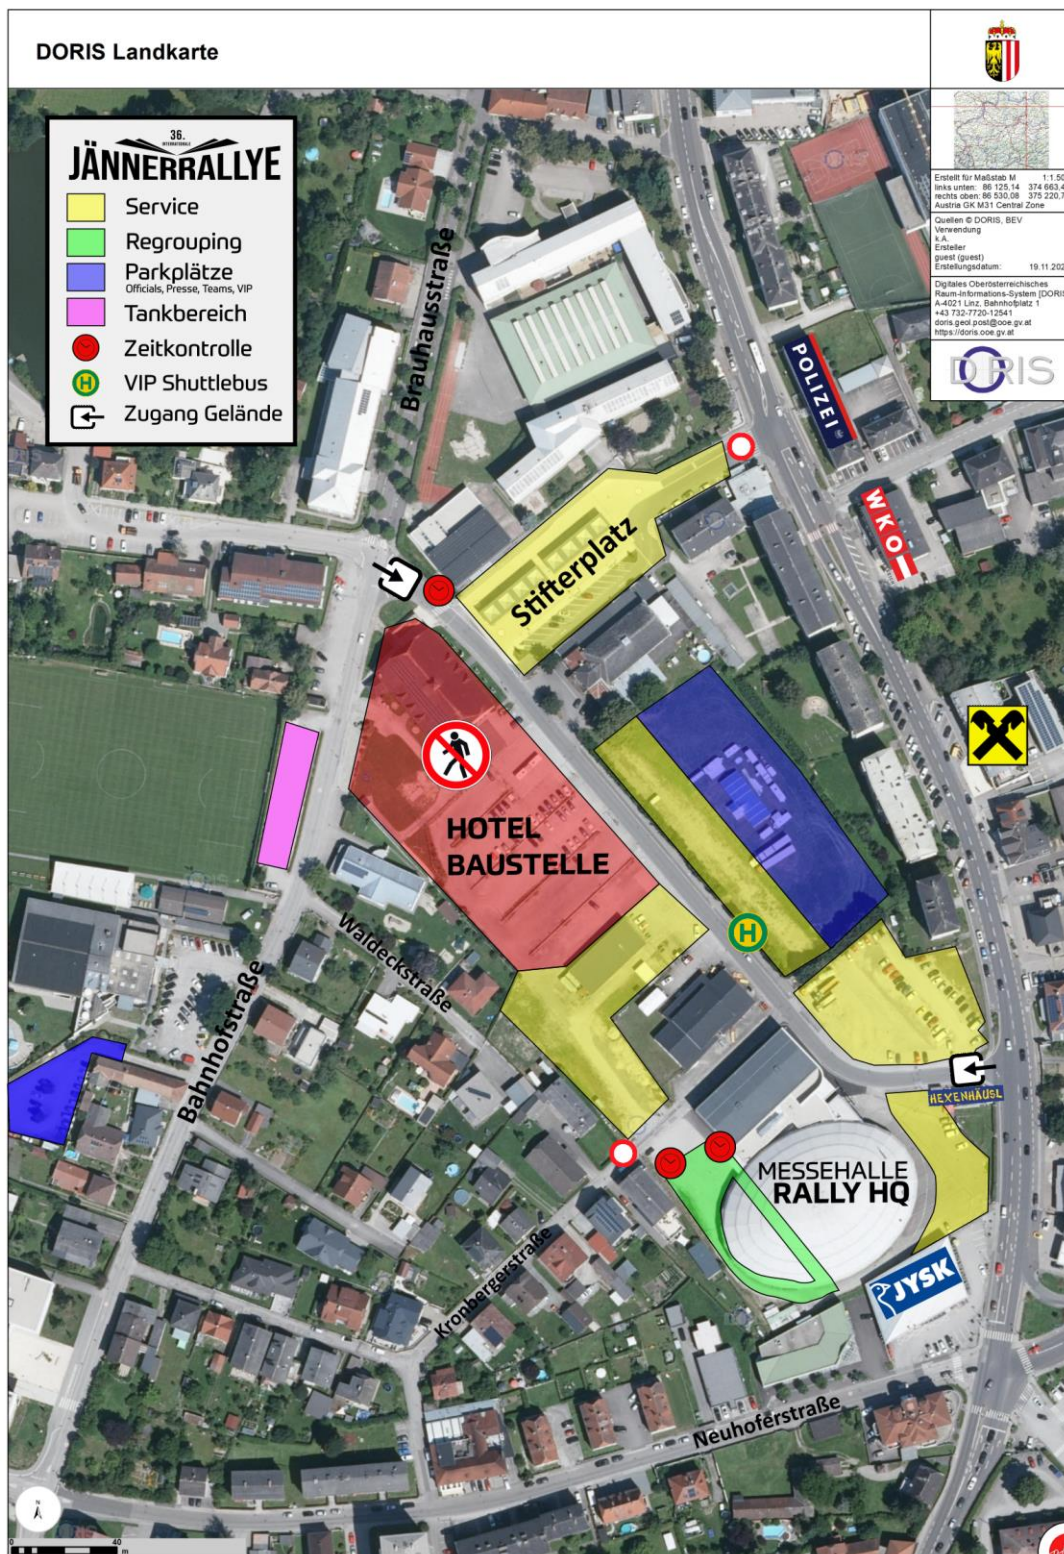

The service area can be occupied from Tuesday, January 3rd, 2023 at 12:00 p.m. The only exception is Stifterplatz (bus station): the bus station is still operating normally on January 3rd, 2023, so the service areas there can only be occupied from 10 p.m.

The servicepark is unfortunately very limited this time due to the hotel construction site. We ask for your understanding that only requests that have been made so far could be considered and that the allocated areas must be strictly adhered to so that each team can get its place.

A detailed map of the service area, including the allocated spaces, can be seen in Hall 2 in Rallye HQ. The traffic routes must be kept clear at all times! Recce vehicles and ServiceB/Auxiliary vehicles must be parked in the designated parking area (blue) on the ÖTB site on the days of the rally.

## Trailer Parking

Due to the limited space, trailers cannot be accommodated in the area of the service park. Local teams are asked to leave trailers at home. For teams that have travelled further, an external trailer parking lot will be announced separately.

## Administrative Scrutineering

Location: **Rally HQ, Halle 2, Am Stieranger 10, 4240 Freistadt**

Time: Wednesday, 04.01.2023 from 10:00 to 19:00

Thursday, 05.01.2023 from 07:00 to 10:00

**Please book your desired time for scrutineering:**

<https://calendly.com/rallye/admin-abnahme-jr23>

Participants who do not book a time slot by January 2nd, 2023 will be assigned by the organization team. The booked time is binding. Scrutineering at a different time may lead to long waiting times. **The technical scrutineering is only possible after successful admin. scrutineering! Therefore please book your admin. scrutineering time before the technical scrutineering time!**

The following documents must be shown at the administrative scrutineering:

- Competitors' licence
- Drivers' and codrivers' competition licences
- Drivers' and codrivers' ID cards/passports
- Drivers' valid driving licences
- ASN authorisation for foreign competitors
- Completion of all details on the entry form
- Car insurance cover certificate
- Car registration papers
- Zulassungsschein des Carss (Fahrzeugschein)
- Waiver of vehicle owner (*in case owner and driver are different*)

## Technical Scrutineering

Location: **ÖAMTC Freistadt, Galgenau 45, 4240 Freistadt**

Time: Wednesday, 04.01.2023 from 10:30 to 20:00

Thursday, 05.01.2023 from 07:00 to 11:30

**Please book your desired time for scrutineering:**

<https://calendly.com/technik-rallye/techn-abnahme-jr23>

Participants who do not book a time slot by January 2nd, 2023 will be assigned by the organization team. The booked time is binding. Scrutineering at a different time may lead to long waiting times. **The technical scrutineering is only possible after successful admin. scrutineering! Therefore please book your admin. scrutineering time before the technical scrutineering time!**

**STUDED TYRES ARE NOT ALLOWED AT TECHNICAL SCRUTINEERING!**

The following documents must be shown at the technical scrutineering:

- Homologation papers (Original)
- Certificate of the safety call (rollcage)
- Car pass
- Drivers' safety equipment sheet
- SOS/OK-Sheet (DIN A3)
- FIA/AMF-HTP or Appendix J

## Allowed tyres

We would like to draw your attention again to the **tire limitations** during the competition: see Art. 7 of the supplementary regulations. The tires used are carefully checked and recorded. After the TC Service OUT at the refuelling zone, there is a tire control zone in which each participant is allowed to stand for 2 minutes. The times for the liaison were calculated accordingly. Tires will be checked at least once per section.

## Shakedown

Location: **Oberrauchenödt - Mitterbach**

Time: **Thursday, 05.01.2023 from 09:00 to 13:30 Uhr**

Participation in the shakedown must be announced and paid for at the administrative scrutineering. The shakedown entry fee is €75 (included in the entry fee for Rally2, RRC and CKM participants). Participation in the shakedown is only possible after successfully completing the admin. and techn. scrutineering. We therefore recommend that the time slots for admin. and techn. scrutineering should already be booked on Wednesday, January 4th, 2023. Shakedown time cards are issued to registered teams at the admin. scrutineering.

30sec start intervals are planned on the shakedown to allow for more rides. There is no limit to the number of runs per participant. We recommend using the opportunity for shakedown runs from 09:00 a.m. onwards. Experience has shown that many participants only want to drive at the end of the time, which can lead to longer waiting times and, in the worst case, participants have to be sent away at 1:30 p.m. because of the time limit.

## Co-Drives at Shakedown

Under certain conditions, it is possible to take other passengers with you as guests at the shakedown. The prerequisite is a **liability waiver signed personally by the co-driver at Rally HQ, Hall 2, Am Stieranger 10, 4240 Freistadt**. After signing personally, passengers receive a non-transferable wristband.

Passenger wristbands will be checked at the pre-start during shakedown! Participants with co-drivers without a wristband will not be allowed to start! There are ABSOLUTELY NO EXCEPTIONS - this also applies to entered co-drivers, since the control staff at the pre-start cannot distinguish between entered and different co-drivers.

Please don't forget this and don't try to start without the wristband. Such attempts will delay the shakedown for all competitors, as competitors with passengers without a band will have to wait, turn around, or drive without a passenger!

## Pictures for the Livestream

As in 2020, an extensive live stream coverage is planned again. In order to improve the live stream, it is planned to show photos of the driver and passenger when they are shown in the stream.

**We ask all drivers and co-drivers to take photos at Rally HQ in front of the green screen on Wednesday, January 4th, 2023 between 4:00 p.m. and 8:00 p.m.**

Appropriate clothing please: team clothing or overalls. Participants without appropriate clothing will be loaned a Jännerrallye jacket for the photo.

## Drivers' briefing

Location: **Messehalle Freistadt, Am Stieranger 10, 4240 Freistadt**

Time: **Wednesday, 04.01.2023 at 19:00 Uhr**

Drivers and/or co-drivers of a team are obliged to take part in the drivers' briefing. In the event of non-participation, a fine of EUR 100 will be imposed by the rally management. The presence of the team members is checked by signature on the attendance list.

The drivers' briefing will start at 7:00 p.m. in German and will then be repeated in English for all international participants from around 7:20 p.m.

If you have any questions for the driver briefing prior to the rally, please email them to [g.hoefer@jaennerrallye.at](mailto:g.hoefer@jaennerrallye.at)

We wish you a safe journey and look forward to a hopefully wintry 36th LKW FRIENDS on the road JÄNNERRALLYE powered by Wimberger.

**Best regards,**

**The organising team of**

**36. LKW FRIENDS on the road JÄNNERRALLYE powered by Wimberger**
